

## Free Link Program

Extend your level of service - link to our website & leverage our free MSDS eSearch.

As the leader in online MSDS management & distribution solutions, MSDS Solutions is committed to providing the highest quality service to the Health & Safety Community. This community extends to companies, institutions, and

individuals who need to research, source or otherwise find accurate and original document information on Material Safety Data Sheets.

By linking to our website, your users will be able to search, access, download and print from the over 3.5 million MSDSs we actively maintain on our database.

## Free MSDS eSearch

Our MSDS eSearch is the most complete and sophisticated online database of MSDSs available. Over 3.5 million original MSDSs have been scanned, indexed and housed on our Oracle powered database.

Over 10,000 new and updated MSDSs are added each month, and thanks to our innovative online technology retrieving, displaying and printing MSDSs has never been so easy and fast.

## Key Benefits

- Free search engine with access to over 3.5 Million MSDSs
- 24/7 unlimited access to MSDS information
- All MSDSs are kept in-date through our MSDS Compliance Standard
- Our search engine supports multiple formats, languages and nationalities
- Our database includes the original data sheets – ensuring data integrity (a statutory requirement) by eliminating the need & cost of re-transcription and other manipulations
- Our search engine, being 100% internet/intranet driven, requires no installation
- Search by manufacturer or supplier name
- Search by product name or synonyms
- View and print your MSDSs
- View issue date of your MSDS
- Output MSDS files in easy-to-read PDF or HTML format
- No need to invest in latest software; all online
- Fast & easy process to toggle between MSDS search & result pages

## Next Steps

To start realizing the benefits of our free Link Program, simply choose from the 2 ways in which you can link to our website. After choosing the option below that best fits your needs, copy the HTML code found here or on our website at:

[http://www.msds.com/corp/alliances/links\\_program\\_en.asp](http://www.msds.com/corp/alliances/links_program_en.asp) and paste HTML code given onto the page where you want link appear. Any questions, please feel free to contact us .

### About MSDS Solutions

MSDS Solutions is the most powerful player in the MSDS and Chemical management market today. We attribute this success to our perpetual product development throughout our 15 years of MSDS management experience.

We command one of the largest MSDS databases in the world of over 3.5 Million, with 10,000 documents added each month. We are proud to encompass over 350,000 subscribers to our services and over 1,500 eService clients.

Our complete, centralized management relieves hours of manual labor, bringing your company into compliance while reducing the huge costs incurred from time-consuming, non-core competency activities.

Whether your company is a small, medium or large global enterprise, we will improve the productivity, efficiency and most importantly – the safety of your workplace.

Our vision is to continue to exceed the needs of health and safety community and lead the industry in MSDS and Chemical management.

To learn more, we invite you to visit us at [www.msds.com](http://www.msds.com) or contact us directly at one of our offices listed below.
